

I Need A Man

Eurythmics

Hey, is this my turn?
You want me to sing now?
Okay
I don?t care if you won?t talk to me
You know I?m not that kind of girl
And I don?t care if you won?t walk with me
It don?t give me such a thrill
And I don?t care about the way you look
You should know I?m not impressed
?Cause there?s just one thing that I?m looking for
And he don?t wear a dress
I need a man
I need a man
I need a man
I need a man
Baby, baby, baby don?t you shave your legs
Don?t you double comb your hair
Don?t powder puff just leave it rough
I like your fingers bare
When the night comes down
I can turn it round, I can take you anywhere
I don?t need love forget that stuff
You know that I don?t care

I need a man
I need a man
I need a man
I need a man
I don?t need a heartbreaker, fifty-faced trouble maker
Two timing time taker, dirty little money maker
Muscle bound cheap skate, low down woman hater
Triple crossing, double dater, yella bellied alligator
I don?t care if you won?t talk to me
You know I?m not that kind of girl
And I don?t care if you won?t walk with me
It don?t give me such a thrill
And I don?t care about the way you look
You should know I?m not impressed
?Cause there?s just one thing that I?m looking for

And he don't wear a dress
I need a man, leave me alone
I need a man, don't take me home
I need a man, baby you are just all the blonde
Hey boy c'mon
I'll take you anytime
Baby, baby, baby
