

# Writing A Letter

## Smoking Popes

I'm writing a letter to my baby  
My baby so far away  
I'm writing a letter to my baby  
And this is what it says:"Ba da ba bop be dop bop ba da  
be dop bop ba da be dop bop ba da"I'm writing a letter to my baby  
I'm sending it today  
I'm writing a letter to my baby  
And this is what it says:"Ba da ba bop be dop bop ba da  
be dop bop ba da be dop bop ba da"I'm writing a love song to whomever  
Tends to look my way  
I'm writing a love song to whomever  
And this is what it says:"Ba da ba bop be dop bop ba da  
be dop bop ba da be dop bop ba da"
