

Royals

Walk Off the Earth

I never see a diamond in the flame
I cut my teeth with wedding rings in the movies
And I'm not proud of my address in the thorn up town
No post code
But every song is like gold ' grey is tripping in the bathroom
'in the hotel room,
We don't care we're driving Cadillacs in our dreams
But everybody's like crystal' diamonds on the'
' islands tigers on a gold' We don't care we aren't caught up in your love affair
And we'll never be royals, it's don't run in our blood
that kind of ' for us
We ' different kind of buzz
Let me be your ruler you can call me queen
Baby I '
Let me live that fantasy
My friends and I we've cracked the code
We count our dollars on the train to the party
And everyone who knows us knows that we're fine with this
We didn't come from money
But every song is like gold ' grey is tripping in the bathroom
'in the hotel room,
We don't care we're driving Cadillacs in our dreams
But everybody's like crystal' diamonds on the'
' islands tigers on a gold'
We don't care we aren't caught up in your love affair
And we'll never be royals, it's don't run in our blood
that kind of ' for us
We ' different kind of buzz
Let me be your ruler you can call me queen
Baby I '
Let me live that fantasy
Oooh, ooh, oooh
Bigger than we ever dream and I'm in love with being queen
Oooh, ooh, oooh life is game without a care
We aren't caught up in your love affair
And we'll never be royals, it's don't run in our blood
that kind of ' for us
We ' different kind of buzz
Let me be your ruler you can call me queen

Baby I '
Let me live that fantasy
