By The Way

Big Wreck

One two three four
So you would be my one bad thing
Never when you tried
I let the fire burn out again
And then insideSo let my tears be realized
Before my eyes are turned
And every lie I've tried before
Won't work no more I've learnedDrowning or bathing
I've found out
What you meant
By the wayKnowledge unexpectedly
That you and me could be
Quiet the voices in my head
Warm my bed tonight
So you could be my one again
Never when you tried
