Let's go
Pretty lady go on do dat dance

Sexy momma go on do dat dance

Make it move for me baby

Touch it down to the floor
Pick it up and let's go
See I walk through the club wit my Prada on
Valet to da keys 'cause the cars so strong
Twenty four ooh, mami know too
Ballas come through the side do' wit they crew
I went left and Puff went right, plus we had on all that ice
I had a bald chick he had one too

Hey Birdman hold up a second
You see them ladies over there?
Them ladies singing that thing, ladies sing

It ain't nothin' to a balla mami do what we do
