

# Incident

## [Link 80](#)

Just a minute ago  
I was on my way home  
Am I dead or alive?  
Someone tell me  
Did he try to kill me?  
Slow motion time  
Why am I suddenly blind  
Am I dead or alive? Bridge, broken to pieces  
Bridge, shattered Lead filled boots  
As I run to  
The sidewalk crunching  
If I could have reacted  
A moment sooner  
Just a minute ago  
He was on his way home  
Is he dead or alive?  
Someone tell me  
Can't stop the blood  
It's rushing  
Out of his head into mine  
Is he dead or alive? Bridge, broken to pieces  
Bridge, shattered
