

# Got This Evil

## Angel Dust

Light a candle for redemption  
Ridiculous you are  
Blame the demons  
Blame the fire for atrocity  
Wise man's words of revelation  
Stuck inside your minds  
Destination Arian-nation  
Hate is what you are  
I am the pain you suffer  
I am the hope you feel  
I am eternal fire - for you believe  
I've got this evil - got this evilness  
Salem's burning, crosses turning  
Burn in desire's name  
Light a candle for redemption  
Riculous you are
