

Live for Loving You (iTunes Originals Version)

Gloria Estefan

(Ooh, la la la la la)(Love you)Lying awake I turn to you as you are softly sleeping
I think of what I'd like to do
While you are somewhere dreamingI, I feel so happy by your side
Oh why, I, wonder, wonder, wonder why
Find it hard to find the words
To say what I am feelingI'm so in love, I'm so alive
And I know you're the reason, why
Why I'm so happy all the time
Oh why, I, wonder, wonder, wonder whyI need nothing else in live than to hold you
I, oh , I am in so deep I don't need no sleep
I just need you here with meBaby, I live for loving you
(Ooh, la la la la la)
Live for loving you, all I wanna do
Is love you, love youIt would never cross my mind to find another lover
'Cause after having been with you,
There could be no other
I, just touching you I'm satisfied
Oh why, I, wonder, wonder, wonder whyI need nothing else in live than to hold you
I, oh , I am in so deep I don't need no sleep
I just need you here with meBaby, I live for loving you
(Ooh, la la la la la)
Live for loving you, all I wanna do
Is love you, I love you, I love you (love you)I, wonder, wonder, wonder whyI love you, love youBaby, I live for
loving you
(Ooh, la la la la la)
I live for loving you, all I wanna do
All I wanna do Is love you, love you
(Ooh, la la la la la)Yes, I live for loving you
Yes, I live for loving you
Baby I live for loving you
(Ooh, la la la la la)
I live for loving you
