

Who Needs Information

Roger Waters

[Jim:] "You're from the valley?"
[Billy:] "No, Jim you schmuck, the Valleys;
Male voice choirs, Wales." [Jim:] "Ah, you're from Wales!
Now is this sperm or blue-tip?"
[Billy:] "Ha, ha, ha, ha. Very funny Jim."
[Jim:] "Sorry."
[Billy:] "Me and Benny went out."
[Jim:] "Who's Benny?"
Me and Benny went out last night
Looking for fun
Supping ale in the moonlight
Waiting for the dawn to come
Benny pointed at a HiFi shop
He said, hey man, look at all the stuff they've got
How'd you make a have out of a have not
HMMMM
Who needs information
When you're working underground
Just give me confirmation
We could win a million pounds
Benny climbed up on a footbridge
And he teetered on the parapet
He said can you see the whites of their headlights
Are they coming yet
Who needs information
This high off the ground
Just give me confirmation
We could win a million pounds
Who needs information
When you're living in constant fear
Just give me confirmation
There's some way out of here
Some way out of here
Benny hefted a breeze block
And tried to let go
Got hung up on a tear drop
So me and Benny went home
Who needs information
When you're living in constant fear

Just give me confirmation
There's some way out of here
Some way out of here
Who needs information yeah
When you're living on borrowed time
Just give me confirmation
There will be a winner this time
Who needs information
When you're working underground
Just give me confirmation
We could win a million pounds
Who needs
Who needs
Who needs information
This high off the ground
Just give me confirmation
We could win a million pounds
yeah
[Jim:] "Um. (lights a cigarette)
So your brother's in jail?"
