

# I Don't Want to Know (If You Don't Want Me)

## The Donnas

Hey I know where you live, yeah  
And I wanna live there too  
I drive by almost everyday  
It's not even really on my way  
When am I gonna get to see you? It won't be misunderstood  
It won't do you any good  
Think I'm not the one you could  
But I know that you would I don't wanna know if you don't want me, no  
(Don't want me, no)  
I don't wanna know if you don't want me, no Hey I have a shirt that belongs to you  
And I use it to guess all the things you do  
I already met your mom and dad  
Said I'm the best one you never had  
And I think you should really reconsider It won't be misunderstood  
It won't do you any good  
Think I'm not the one you could  
But I know that you would I don't wanna know if you don't want me, no  
(Don't want me, no)  
I don't wanna know if you don't want me, no I watched you through the window last night  
And I thought I saw a girl in the candlelight  
You think that's fair after all I've done?  
Restraining orders one by one  
And I sure hope that was your sister I guess you misunderstood  
Didn't do you any good  
That you thought I never could  
Now you know that I would  
Now you know that I would  
Now you know that I would I don't wanna know if you don't want me, no  
(Don't want me, no)  
I don't wanna know if you don't want me, no  
(Don't want me, no) I don't wanna know if you don't want me, no  
(Don't want me, no)  
I don't wanna know if you don't want me, no
