This Kiss (mathieu Bouthier Remix)

Carly Rae Jepsen

I went out last night
I'm going out tonight again
Anything to capture your attention (your attention)
And she's a real sweet girl
And you know I got a boy
Details we both forgot to mention (forgot to mention)

And you, I always know where you are
And you always know where I am
We're taking it way too far
But I don't want it to end

This kiss is something I can't resist
Your lips are undeniable
This kiss is something I can't risk
Your heart is unreliable...

You know you're just my type
And your eyes are lock and key, to my heart
Tempting my confession (my confession)
And you're a real hot thing
But you know i've got a boy somewhere
So can you feel the tension? (Feel the tension)

And you, I'm dancing to where you are
And your dancing to where I am
We're taking it way too far
But I don't want it to end

This kiss is something I can't resist
Your lips are undeniable
This kiss is something I can't risk
Your heart is unreliable...

This kiss.
