

Help the Poor

Robben Ford

Help the poor, won't you help poor me?
Have a heart, won't you baby, listening to my plea?
I need all your love, I need your care
I need all of your love, you can spare Help the poor, help the poor, won't you help poor me? Say you will, say
you'll help me on
I can't make it no further in this world alone
I lost all my courage till I found you
Got what I need, to see me through Help the poor, help the poor, won't you help poor me? You're my inspiration,
you could make me a king
You don't come to my rescue, I'll never be anything Help the poor, help the poor, won't you help poor me?
Have a heart, won't you baby, listening to my plea
I'm begging with tears in my eyes, something you must realize Help the poor, help the poor, won't you help
poor me? You're my inspiration, you could make me a king
You don't come to my rescue, I'll never be anything Help the poor, help the poor, won't you help poor me?
Have a heart, won't you baby, listening to my plea
I lost all my courage till I found you, got what I need, to see me through Help the poor, help the poor, won't you
help poor me?
Help the poor, to help poor me, help the poor, help the poor
