

I Love You Love Me Love

Gary Glitter

We're still together after all that we've been through
They tried to tell you I was not the boy fore you
They didn't like my hair, the clothes I love to wear
They didn't realize that I was strong enough for two I love you love you love me too love
I love you love me love
I love you love my only true love
I love you love me love The things they said about the two of us were lies
I knew they couldn't see the love lights in your eyes
They said I wouldn't dare, to show how much I care
They didn't know that we were just two angels in disguise I love you love you love me too love
I love you love me love
I love you love my only true love
I love you love me love So here we are alone
We made it on our own
And though they tried they can't deny
The way I really showed 'em I love you love you love me too love
I love you love me love
I love you love my only true love
I love you love me love I love you love you love me too love
I love you love me love
I love you love my only true love
I love you love me love
