High On You

Survivor

There you stood that'll teach you to look so good and feel so right
Let me tell you about the girl I met last night
It's understood, I had to reach her, I let the wheel of fortune spin
I touched your hand before the crowd started rushin' inNow I'm higher than a kite, I know I'm gettin' hooked on your love
Talkin' to myself, runnin' in the heat, beggin' for your touch
In the middle of the street and II can't stop thinking 'bout you, girl
I must be living in a fantasy world
I'm so high on youSmart and coy, a little crazy the kinda face that starts a fight
Let me tell you 'bout the girl I had last night
Piercing eyes like a raven, you seemed to share my secret sin
We were high before the night started kickin' inNow I'm screamin' in the night, I know I'm gettin' hooked on your love
Talkin' to myself, runnin' in the heat, beggin' for your touch
In the middle of the street and II can't stop thinking 'bout you, girl
I must be living in a fantasy world
I've searched the whole world over to find a heart so true
Such complete intoxication, I'm high on youThere you stood that'll teach you to look so good and feel so right
Let me tell you about the girl I met last nightNow I'm higher than a kite, I know I'm gettin' hooked on your love
Talkin' to myself, runnin' in the heat, beggin' for your touch
In the middle of the street and II can't stop thinking 'bout you, girl
I must be living in a fantasy world
I've searched the whole world over to find a heart so true
Such complete intoxication, I'm high on youI'm high on you
I'm high on you
