

# black Bullet (Album Version)

[kidneythieves](#)

Advisory - the following lyrics contain explicit language:

Can you deal with the hallucination?  
Can you steal the hallucination?  
I can hear and feel all that you're thinking  
Can you deal with the hallucination?  
When I'm drowning in the sea, I am  
When you're looking down at me, I am  
When I'm walking in the streets, I am A bullet  
When I'm looking and I find, I am  
When I'm purer than the sky, I am  
When I'm fucking with your mind, I am A bullet  
In the eye, In the mirror, I am  
In the eye, In the mirror, I am A black bullet  
In the eye, In the mirror, I am  
Alone, alone in this all. Deal with the hallucination  
Can you deal with the hallucination  
When I'm walking on the line, I am  
When I think that I could kill, I am  
When I think that I am love, I am  
I am a black bullet  
In the eye, In the mirror, I am  
In the eye, In the mirror, I am A black bullet  
In the eye, In the mirror, I am  
Alone, alone in this all. Can you deal with the hallucination  
You never, never Could you look me  
in the Eye,  
In the mirror, when  
In the eye, In the mirror, I am  
In the eye, In the mirror, I am A black bullet  
In the eye, In the mirror, I am  
Alone, alone in this all.
