

All I Really Need

Vindata

Baby boy, bad as you wanna be
Goes on trips for the scenery
Take me with, Get me from my door, sir
But don't you dare come any closer You've been chasing new things, fallin out of love with Molly
And I'm always with Mary, she don't like your good friend Charlie
You don't wanna be lonely, ain't that everybody
Appreciate your service, but I'd only hurt you, sorry 'Cause I'm not here to stay
Pass it, and I'll be on my way
No stems. No seeds, please
That's really all I need
That's really all I need All I [all I need. all I, all I need] All I really need is
And a [and a bag bag bag] bag to go Baby boy, tell me I'm all you need
As he sows his seeds in the greenery
And I'm a habit, don't wanna kick it
But I won't be just another mistress 'Cause you'll be missin' always. Say you're getting back with Molly
And you're sick of Mary. Says she don't agree with Charlie
You don't wanna be lonely, ain't that everybody
Appreciate your service, but I'd only hurt you, sorry 'Cause I'm not here to stay
Pass it, and I'll be on my way
No stems. No seeds, please
that's really all I need
that's really all I need All I [all I need. all I, all I need] All I really need is
And a [and a bag bag bag] bag to go
