

# Round the Bend

## Justin Townes Earle

Standing on the corner â€˜round the bend by the dead end sign  
Two full quarters saying donâ€™t come â€˜round here with your listening dime  
I know thereâ€™s better ways for me to get home  
Lately I ainâ€™t been doing so good. Iâ€™ve been on my own  
Iâ€™m a grown man, got no control

I got a dollar, I bet you I could turn it into five  
I might take you out to dinner later on tonight  
Every time I get on the road  
Thereâ€™s always something there to push me down in the hole  
Grown man, bless my soul

You know itâ€™s hard to explain  
Thereâ€™s things a manâ€™s gotta learn to contain  
Sweet now it just ainâ€™t the same  
And your mommaâ€™s only boy, your daddyâ€™s only shame

Standing on the corner â€˜round the bend by the dead end sign  
Calling my baby saying take me back one more time  
Oh, take me back  
Take me back, babe
