Hey Lady

Thriving Ivory

She checks her pulse, gotta know if her heart's still beating
And the hospital's, not far if anything should happen hereShe's bored in a week, big dreams but nothing material
And I refuse to believe that love is for the weak
I said I'm not vulnerableHey lady, don't give up on me
Don't burn your heart out love
Till we're ash over seas
Hey lady, said I don't wanna fight
Like pretty girls need cowboys
I need you here tonightShe screams for more
More than just some blue eyed metaphor
and the trouble is, The trouble is:
She's always searching.
And the hour's late, Don't wanna hear that its all gonna end soon.
And I'm not crazy I'm in control, and all of my friends still knowHey lady, don't give up on me
Don't burn your heart out love
Till we're ash over seas
Hey lady, said I don't wanna fight
Like pretty girls need cowboys
I need you here tonightI'm on one knee, lover please
How can I put it more simply?
And I wait, for your invitation
And I'm so so so, so over waiting
I'm on one knee, lover please
How can I put it more simply?Hey lady, don't give up on me
Don't burn your heart out love
Till we're ash over seas
Hey lady, said I don't wanna fight
Like pretty girls need cowboys
I need you here tonight
