Don't Speak Liar

We The Kings

Just sit back and tell me I'm a liar for this Don't roll your eyes, rewind

This happens way too many timesSo sit back and tell me that youre tired of this

I know I'll grow up some

But it's 2 am and I'm too high and dry

And I won't come down toSo when I come back I won't say a word

I know I've said this before

Don't speak, liarNo, we won't talk, we won't say a word

I know, you've heard this before

Don't speak, liarSit back and tell me why I'm so prone to this

Do you think I'm fond of

Getting you and letting you down

And I'll get mine soonSo when I come back I won't say a word

I know, I've said this before

Don't speak, liarNo, we won't talk, we won't say a word

I know, you've heard this before

Don't speak, liarAnd if the story ends here

I can't be surprised to find

Your eyes are open wide

And that I have inspired youAnd when you come back, don't say a word

I know, you've said this before

Don't speak, liarNo, we won't talk, we won't say a word

I know, you said this before

Don't speak, liar

Don't speak, liar

Whoa oh, don't speak, liar
