Feeling So High

David Hasselhoff

Feeling so high, feeling higher and higher
Feeling so high since you came in my lifeWhat have you done to me
What spell you put on me
Never felt so high before
Can't get enough of you
Wanna keep touching you
I'll love you, then love you some moreEveryday seems to be
Just like a fantasy
Dreams made for you and for me
Let me keep loving you
That's all I wanna do
Need ya right here close to meFeeling so high, feeling higher and higher
Feeling so high since you came in my lifeThinking of things we've done
Thinking of things to come
Makes me feel so warm inside
Feelings I can't explain
Floating around my brain
Feelings that I just can't hideDon't wanna go to sleep
Don't wanna close my eyes
Need to keep looking at you
Thank you for loving me
And all that you've given me
Just can't believe that it's true
Feeling so high, feeling higher and higher
Feeling so high since you came in my lifeDon't wanna go to sleep
Don't wanna close my eyes
Need to keep looking at you
Thank you for loving me
And all that you've given me
Just can't believe that it's trueFeeling so high, feeling higher and higher
Feeling so high since you came in my lifeFeeling so high, feeling higher and higher
Feeling so high since you came in my lifeFeeling so high, feeling higher and higher
Feeling so high since you came in my lifeFeeling so high, feeling higher and higher
Feeling so high since you came in my life
