

# Never Stop Believing

## KDMS, The

Every night in my window  
I see pictures of  
The day we metI keep wishing on the falling stars  
To forget you but  
It hasn't happened yetAnd I still remember when you walked away  
It was more than my heart could believe  
Careless wind blew the smell of your perfume away  
But the touch of you, it never leavesSo I'll never stop believing  
Someday your love is coming back to me  
No, I'll never stop believing  
Someday that you'll be coming back to meEverybody in my life  
They say forget that girl  
She's gone for goodHow can I explain this heart  
It just keeps hanging on  
'Cause something says it shouldOh, I go on remembering how good we were  
The sweetest days I'll ever know  
This careless boy, somehow he let you get away  
But the touch of you, he'll never let it goSo I'll never stop believing  
Someday your love is coming back to me  
No, I'll never stop believing  
Someday that you'll be coming back to meSo I'll never stop believing  
Someday your love is coming back to meTime and time again I see  
Just how much she meant to me  
Oh, a love like that is meant to be  
She's got to come back, she's got to come backAnd I still remember when you walked away  
It was more than my heart could believe  
Careless wind blew the smell of your perfume away  
But the touch of you, it never leavesAnd I go on remembering how good we were  
The sweetest days I'll ever know  
This careless boy, somehow he let you get away  
But the touch of you, he'll never let it goSo I'll never stop believing  
Someday your love is coming back to me  
No, I'll never stop believing  
Someday that you'll be coming back to meSo I'll never stop believing  
Someday your love is coming back to me  
No, I'll never stop believing  
Someday that you'll be coming back to meSo I'll never stop believing  
Someday your love is coming back to me  
No, I'll never stop believing

Someday that you'll be coming back to me
