

# Penguin

## Don Johnson Big Band

Can you find the time to let your lover love you?  
He only wants to show you the things he wants to learn too  
    The hardest parts you'll get through  
    And in the end, you'll have your best friend  
    Love like this may come once, baby it's fate  
        Like a soul mate, he's your penguin  
        Baby it's fate, baby it's fate, not luck  
Can you find the time to let your lover hold you?  
    He needs somebody to hold too  
His love is strong and so true, his arrow is aiming for you  
    And he's the one that you were born to love  
    Love like this may come once, baby it's fate  
        Like a soul mate, he's your penguin  
        Baby it's fate, baby it's fate, not luck  
        Let go, let go of time for you and I  
        Let go, let go of time for you and I  
        Let go, let go of time for you and I  
    Love like this is all I want, baby we're fate  
    Love like this may come once, baby we're fate  
        Like a soul mate, you're my penguin  
        Baby we're fate, baby it's fate, not luck
