

# Heroes of Our Time

## DragonForce

Lost in a dream, finally it seems  
Emptiness and everlasting madness  
See the sadness grow, watching as we know  
Blinded for our journey for the world  
Call for us, the power in all of us  
So far beyond the blackened sky tonight  
Glorious, forevermore in us  
We are victorious and so alive  
We'll all find our sacrifice tomorrow  
And journey on towards a brighter day  
Silent tears we left behind still so far away  
Across the endless sands through the fields of our despair  
Dream for all eternity we stand, yeah  
Rise above the universe tonight  
Starchaser  
Fly towards the storm, see the world reborn  
Feel the pain inside the voice the sorrow  
Cross the distant shores, find the open door  
Stand alone in judgment for tomorrow  
Years of pain still haunt us all, we saw the last sunrise  
Take me home in freedom for a lifetime  
Praying out for the silence and the last tears we'll cry  
Still glorious this fire inside, united we stand  
And we'll all find our sacrifice tomorrow  
And journey on towards a brighter day  
Silent tears we left behind still so far away  
Across the endless sands through the fields of our despair  
Dream for all eternity we stand, yeah  
Rise above the universe tonight  
Starchaser  
Free from this world, here for the last time  
Oceans collide inside of us all  
Believe who we are, the phoenix will guide us  
Freedom will rise once again  
Save us tonight, the last hope for all of us  
Light years gone by, we're still holding on  
Save us tonight, a star shines in all of us  
Far beyond our lives, still our glory lives on  
And we'll all find our sacrifice tomorrow  
And journey on towards a brighter day  
Silent tears we left behind still so far away  
Across the endless sands through the fields of our despair  
Dream for all eternity we stand, yeah  
Rise above the universe tonight  
Starchaser, starchaser  
Our kingdom come we stand as one and we will live for always evermore....
