You Move Me

Susan Ashton

This how it seems to me
Life is only therapy
Real expensive and
No guaranteesSo I lie here on the couch
With my heart hanging out
Frozen solid with fear
Like a rock in the groundBut You move me
You give me courage I didn't know I had
You move me
I can't go with You and stay where I am so
You move meHere is how love was to me
I could look and not see
Going through the emotions
Not knowing what they meanAnd it scared me so much
That I just wouldn't budge
I might have stayed there forever
If not for Your touchOh, but You move me
Out of myself and into the fire
You move me
Burning with love and with hope and desire
How You move meYou go whistling in the dark
Making light of it, making light of it
And I follow with my heart
Laughing all the wayOh, because You move me
You get me dancing and You make me sing
You move me
Now I'm taking delight in every little thingHow You move me
Oh, You move me
