

# Chelsea Dagger

## The Wurzels

Well you must be a girl with shoes like that  
She said you know me well  
I seen you and little Steven and Joanna  
Round the back of my hotel oh are

Someone said you was asking after me  
But I know you best as a blagger  
I said tell me your name is it sweet?  
She said my boy it's dagger oh are

I was good she was hot  
Stealin' everything she got  
I was bold she was over the worst of it  
Gave me gear thank you dear bring yer sister over here  
Let her dance with me just for the hell of it

Well you must be a boy with bones like that  
She said you got me wrong  
I would've sold them to you  
If I could've just have kept the last of my clothes on woo hoo  
Call me up take me down with you  
When you go I could be your regular belle  
And I'll dance for little Steven and Joanna  
Round the back of my hotel thats right

I was good she was hot  
Stealin everything she got  
I was bold she was over the worst of it  
Gave me gear thank you dear bring yer sister over here  
Let her dance with me just for the hell of it

Chelsea Chelsea I believe that when your dancing  
Slowly sucking your sleeve  
That all the boys get lonely after you leave  
And it's one for the Dagger and another for the one you believe

Chelsea Chelsea I believe that when your dancing  
Slowly sucking your sleeve  
That all the boys get lonely after you leave  
And it's one for the Dagger and another for the one you believe
