# Midnight Sun

## Speck Mountain

Oh
I see this world letting go
All my love knows, it's got nowhere to go
I have been without sleep
But my heart i will keep near
I'm alright, I'm alright, oh I'm alright (x3)

I have laid awake in this midnight sun
There is nothing to keep me, I tell you I'm gonna run
I have been without moon
I'll be movin on soon
I have been without moon
But I'll be movin on soon anyhow

I'm gonna be so far away
Friend i tell you I'm not here to stay
I'm not here to stay
Oh no not here to stay

When I have night
Gonna feel alright
When I have night
Gonna feel so alright

I have been without sleep
But my heart i will keep Near

I'm alright, I'm alright, oh I'm alright
Oh I'm alright
(oooo)
