

I'll Feel a Whole Lot Better

The Byrds

The reason why oh, I can't say I have to let you go, baby and right away
After what you did I can't stay now
And I'll probably feel a whole lot better when you're goneBaby for a long time (baby for a long time) you had
me believe (you had me believe)
That your love was all mine (that your love was all mine) and that's the way it would be
But I didn't know (but I didn't know) that you were putting me on
And I'll probably feel a whole lot better when you're gone, when you're goneNow I gotta say (I gotta say) that
it's not like before (that it's not like before)
And I'm not gonna play your games any more (and I'm not gonna play)
After what you did (after what you did)I can't stay on
And I'll probably feel a whole lot better when you're gone
Oh, when you're gone, oh when you gone,oh when you gone
