Love Letter

R. Kelly

Did you get my card?
Did you read my love letter?
Did it touch your heart
When you read my love letter?Sunny days, smiling face, spirit filled heaven praise
Memories in my mind reminiscing of good times
Miracles so amazed, soldiers far away
It makes me ask the question, babyDid you get my card?
Did you read my love letter?
Did it touch your heart
When you read my love letter?
When you read my love letterWeekends and birthdays, celebrations, holidays
Love making history, a toast to our victory
Sweet dreams butterflies, holding hands side by side
Best friends, families, reminds meDid you get my card?
Did you read my love letter?
Did it touch your heart
When you read my love letter?Cocktails, happy hours, wedding bells, baby showers
Vacations, sail boats with the ones you love the most
Long time, no see, back together you and me
Write me back when you receive this yearDid you get my card?
Did you read my love letter?
Did it touch your heart
When you read my love letter?I hope these, hope these words find you in the perfect mood
I wrote this letter according to my love for you
So I hope this paper will travel safely to where you are
Because the melody is custom made for your heartThough near or far I will find a way to send my love
Only pray that it don't come back, return to sender
If you are reading this I hope that things are well
And you can text me back, you can write me back
Just check your mailDid you get my card?
Did you read my love letter?
Did it touch your heart
When you read my love letter?Did you get my card?
Did you read my love letter?
Did it touch your heart
When you read my love letter?All the ladies sing for me
Ladies sing for me
