Another Sad Love Song

Khalid

I'm not the best at showing my emotions
You cut me deep and you left me wide open
I fought the demons that lie in between us
They'd think we're perfect if they'd ever seen us, but
I guess this sounds like another sad love song
I can't get over how it all went wrong
But, I let the words come together
Then, maybe I'll feel betterBridges they are burning
Lover, I am worried
Tables they are turning
Lover, I am hurting
Burning burning burning, dadadadada
Turning turning turning turning, dadadadada
Burning burning burning, dadadadada
Turning turning turning turning, dadadadadaI took the time to think of what you said
You were tap-dancing in my head
I must be honest, I have a lot of pride
But I'm broken inside
I guess this sounds like another sad love song
I can't get over how it all went wrong
But, I let the words come together
Then, maybe I'll feel better
Bridges they are burning
Lover, I am worried
Tables they are turning
Lover, I am hurting
Bridges they are burning
Lover, I am worried
Tables they are turning
Lover, I am hurting
Burning burning burning, dadadadada
Turning turning turning turning, dadadadada
Burning burning burning, dadadadada
Turning turning turning turning, dadadadada
Burning burning burning, dadadadada
Turning turning turning turning, dadadadada
Burning burning burning, dadadadada
Turning turning turning turning, dadadadada
Bridges they are burning

Lover, I am worried
Tables they are turning
Lover, I am hurting
Bridges they are burning
Lover, I am worried
Tables they are turning
Lover, I am hurting
