Ain't Got You

Kevin Michael

All I ever wanted was to love you
Girl, I never meant to cause you pain
And I only have myself to blameNow youre gone and I cant stop thinking of you
Every time I hear your name
I think of what Ive done again and againSee Im all alone tonight with just a memory
And baby youre a million miles away
I cant take another dayIf I aint got you, I aint got anything
It just dont feel the same, no
If I aint got you, ohAnd if I aint got you, I aint got anything
Cant even feel the pain
No, if I ain't got you, youYou, you, you, you
You, you, you, you
You, you, you, you
You, you, you, youI remember when we were together
I remember how you used to say
There was nothing I could do to turn you awayI know, I know that things have changed forever
When I look into your eyes
All I see now is the tears in your eyesIm all alone tonight with just a memory
And baby youre a million miles away
I cant take another dayIf I aint got you, I aint got anything
It just dont feel the same, no
If I aint got you, ohAnd if I aint got you, I aint got anything
Cant even feel the pain
No, if I ain't got you, youIf I could I would pick up the pieces of your broken heart
And put it back together
And I would, I would hold you in my arms until the hurting stops
And stay right here foreverAll I ever wanted was to love you
Girl, I never meant to cause you pain
And I only have myself to blameIf I aint got you, I aint got anything
It just dont feel the same, no
If I aint got you, ohAnd if I aint got you, I aint got anything
Cant even feel the pain
No, if I aint got youIf I aint got you, I aint got anything
It just dont feel the same, no
If I aint got you, ohAnd if I aint got you, I aint got anything
Cant even feel the pain
No, if I aint got you, you
