Smile Again

SMILE AGAIN - Thoja

If you know, the Lord is making you smile again let me see your hands in the air
If you know, you are going to smile again
Lord Thank you
Use this song to minister healing and deliverance,

to as many that will confess this song
By the authority of your anointing upon me
Let the voice of testimony be heard in your house
I use this song as a mantle of restoration
Amen

I can see that little child without hope,
No father or mother, you sleep day and night in the street
You were driven into the street, by your relatives because you lost your parents
I have a message for you, the Lord is locating you with His arm and you shout
(echo)â€¦..Smile
There is a woman lying down of pain for so many years now
By the time, you are through with this song you are gonna smile again

Just confess the song, confess it with your spirit and say after me

Smile x2,
Am gonna smile again x6

If you God will make you smile again, put your hands in the air
I receive it and mean it in your spirit
Lord I stand as your anointing, and I release healing upon their spirit and more
In the name of Jesus,
I cause every spirit in there to wither in the name of Jesus

Chorus x3

This song is for that man,
youâ€™ve lost your job and lying down without hope
I prophecy to you in the name of the Lord
Receive a job and be employed in the name of Jesus

(speaking in tongues)

I speak to you, you are a woman without a child
You have become an object of mockery
Today by the anointing of the Lord, receive a child

Chorus x8
