Dirty Dog (Enrapture Mix)

Switchblade Symphony

Keep a line for you
Keep a line for youGet it off, waterfall
Wash it off of me
What do you think, little man
You could do to me?And I'm feeling like I'm moving
I am flying, tonight
I am sliding, I am gliding,
And I'm feeling all rightWon't she wise up,
Stop going out and in?
Won't she wise up,
Stop going out and in?Keep a line for you
Keep a line for youWhat a way
A little fly
Can land on everything
Dirty ways,
Sick and small
He is the insect kingAnd I'm feeling like I'm moving
I am flying, tonight
I am sliding, I am gliding
And I'm feeling all rightWon't she wise up,
Stop going out and in?
Won't she wise up,
Stop going out and in?Won't she wise up,
Stop going out and in?
Won't she wise up,
Stop going out and in?
