I Gotta Get Outta Here

Alice Cooper

Yeah, yeah
Yeah, yeah, yeahI can't wait to wake up in my very own bed
Far away from the madness and my poundin' head
The shiver up my spine and this feelin' of dreadWell, first I finally passed out, then I woke up in pain
Tangled in the wreckage of a runaway train
Was I the last man on Earth or was I just insane?I gotta, gotta, gotta, gotta get outta here
I gotta, gotta get outta here
I'm gettin' the message, it's totally clear
Yeah, I really gotta get outta hereGet, get, get right outta here
Get, get, get outta here, yeahI danced at the disco where the bodies all fell
Piled up to the sky, what a sulfurous smell
Man, the ghouls on the beach, they were hotter than hell
(Yeah, yeah, yeah)I popped the old man put a hole in his eye
Spent the night with the devil, she was such a bad guy
And if he has her way, I will eternally fry
(Yeah, yeah, yeah)I gotta, gotta, gotta, gotta get outta here
I gotta, gotta get outta here
It's not complicated; yeah, it's pretty damn clear
I really gotta get outta hereJust wanna be myself again
And find my way out of this iniquitous den
I ain't havin' fun and I ain't makin' friends
I don't wanna know how this nightmare endsI don't know why I'm here, why I've fallen from grace
I can't explain the burns or the scars on my face
Somebody please wake me up and get me outta this place
(Yeah, yeah, yeah)I said, I gotta, gotta, gotta, gotta get outta here
I gotta, gotta get outta here
They say, Is it the message?
Plead a new year, sonnyWhat part of dead don't you get?
Uh, excuse me?
What part of dead don't you get?
Whoa, whoa, whoa, whoa, wait a minuteWhat part of dead don't you get?
I'm sorry, are you talking to me?
What part of dead don't you get?
Hey, I signed on for a nightmareWhat part of dead don't you get?
Really, I mean, that's a little twisted, don't you think?
What part of dead don't you get?
I, don't, I, I, hey, whoaWhat part of dead don't you get?
I get it, but, but I don't get it
What part of dead don't you get?

I'm sinking here, hello?
Yeah, yeah, yeah
