

Red Eyes and Tears (OST Smokin Aces 2)

Black Rebel Motorcycle Club

Red eyes and tears no more for you my love I fear
Red eyes and tears no more for you my love I fear No more fear, no more fear I'm in love
Losing sensation for you my love I fear
Losing sensation for you my love I fear
No more fear, no more fear I'm in love Love, love, I'm in love Losing the reasons to breathe I never lived
I'm losing the reasons to breathe I never lived
Never lived, never lived I'm in love These are my reasons the truth is never filled
These are my reasons the truth is never filled
I'm never filled, never filled I'm in love Love, love, I'm in love Red eyes and tears no more for you my love I kill
Red eyes and tears no more for you my love I kill
Red eyes and tears
Red eyes and tears
Red eyes and tears no more for you my love I kill
No more kill, no more kill I'm in love Love, love, I'm in love
