

I Love You

Ilse DeLange

I Didn't mean to be so cold.
Like your arms had never held me.
Like a story never told,
but you know exactly how it goes. Still you carry on with pride.
when you touch me you're so tenderly
All the pain you keep inside,
wouldn't stop you from defending me.
Always remembering I love you
Your love's stronger than I can deny.
I love you,
your faith kept us safe.
between two hearts you'll never find,
a deeper understanding.
There's no use in asking why,
when the answer is right before my eyes.
And i finally realize I love you,
your love's stronger than I can deny.
I love you,
your faith kept us safe. I Didn't mean to be so cold...
I Didn't mean to be so cold... And I love you,
your love's stronger than I can deny.
I love you,
your faith kept us safe.
I love you,
your love's stronger than I can deny.
I love you,
your faith kept us safe.
