

# Wanna Play

## Rbd

See I know what's up papi  
I'm a loca in a sexy body  
I know that you wanna party  
The kinda party that we both know  
I can't give you all my goods  
Where's the part in the play that I wrote?  
Something far from all the shows  
Esta chica es muy especial  
Oh oh, that's how you go  
Oh oh, and a little bit more  
Oh oh, if you only knew  
You'd be going like oh oh oh oh  
Wanna play, come on set the game on  
I don't need the warm ups to turn on  
Wanna play to two shots so let's go  
I'm waiting, still waiting  
Wanna play, come on set the game on  
Can't resist the beat it's getting too strong  
Wanna play to two shots so let's go  
I'm waiting, still waiting  
See I know what's up mami  
I'm a loco too if you try me  
Make me a part of your party  
The kind of party that we both know  
I promise to please you all night long  
You'll be shaking long after I'm gone  
Next thing you spending on the phone  
Telling all your friends about me  
Oh oh, that's how you go  
Oh oh, and a little bit more  
Oh oh, if you only knew  
You'll be going like oh oh oh oh  
Wanna play, come on set the game on  
I don't need the warm ups to turn on  
  
Wanna play to two shots so let's go  
I'm waiting, still waiting  
Wanna play, come on set the game on  
Can't resist the beat is getting too strong

Wanna play to two shots so let's go  
I'm waiting, still waiting  
I ain't stopping, no, I ain't stopping  
'Til I get what I want I'ma keep on shopping  
I ain't stopping, no, I ain't stopping  
I'm getting what I need, I'm getting what I need  
I ain't stopping, no, I ain't stopping  
'Til the club shut down I'ma keep on rockin'  
I ain't stopping, no, I ain't stopping  
I'm getting what I need, I'm getting what I need  
Wanna play, come on set the game on  
I don't need the warm ups to turn on  
Wanna play to two shots so let's go  
I'm waiting, still waiting  
Wanna play, come on set the game on  
Can't resist the beat is getting too strong  
Wanna play to two shots so let's go  
I'm waiting, still waiting  
Wanna play, come on set the game on  
I don't need the warm ups to turn on  
Wanna play to two shots so let's go  
I'm waiting, still waiting  
Wanna play, come on set the game on  
Can't resist the beat is getting too strong  
Wanna play to two shots so let's go  
I'm waiting, still waiting  
Come on  
I wanna play
