# Girl In a Jigsaw Puzzle

## Katydids

You can do anything you want to
I won't get upset
You can have anything you ask for
I will go an get
So here I am another day
Another one to give away
So here I go to be with you
I'll give myself over and over againYou can do anything you like
I won't get in the way
If I should suffer in my silence
Well than that's okay
Cause I don't care if you don't care
We're never going anywhere
Another night, another fight
We hurt ourselves over and over againI'm just a girl in a jigsaw puzzle
Trying hard not to fall apart
I'm just a girl in a jigsaw puzzle
(yeah)
And it's hard to finish, when there's something missingI'm just a girl in a jigsaw puzzle
Trying hard not to fall apart
(But it's not that easy)
I'm just a girl in a jigsaw puzzle
(yeah)
And it's hard to finish, when there's something missing
And there is no point at all
