Corcovado

Exodus Quartet

Um cantihno, Um violÃ£o A sweet song, a guitar
Este amor, Uma canÃ§Ã£o This love, A song
P'ra fazer feliz a quem se ama To make happy whom is loved.

Muita calma p'ra pensar Much calm to think
E ter tempo p'ra sonhar And have time to dream
Da janela vÃª-se o Corcovado From the window, Corcovado can be seen
O Redentor, que lindo! The Redeemer, how beautifull!

Quero a vida sempre assim I want life to always be like this.
Com vocÃ© perto de mim With you right next to me
atÃ© o apagar da velha chama. 'till the love ends.

E eu que era triste And I who was sad
Descrente deste mundo Having lost faith in this world
Ao encontra vocÃª eu conheci I found you and then I knew
o que Ã© felicidade, meu amor what happiness is, my love
