## Omarion

Advisory - the following lyrics contain explicit language:

Fussin' and fightin', we back at it again  
I know that it's my fault, but you don't understand (no)  
    I got memories, this is crazy  
    You ain't nothing like the girl I used to know  
    Good with ma, good with pa, cool with all my niggas  
    I should try to decide, wanna let you in, but no  
    That means memories, and it's crazy  
You ain't nothing like the girl I used to know  
    Girl, I really wanna work this out 'cause I'm tired of fightin'  
    And I really hope you still want me the way I want you  
    I said I really wanna work this out  
    Damn, girl, I'm tryin'  
    It's no excuse, no excuse  
    But I got this[Chorus: x2]  
I got this icebox where my heart used to be (but I got this)  
I got this icebox where my heart used to be (said I got this)  
    I'm so cold, I'm so cold, I'm so cold, I'm so cold  
I'm so cold, I'm so cold, I'm so cold  
    Why can't I get it right?  
    Just can't let it go  
    I opened up, she let me down  
    I won't feel that no more  
    I got memories, this is crazy  
    She ain't nothing like the girl I used to know  
    I don't mean to take it out on you, baby, but I can't help it  
    'Cause my heart is in the same ol' condition that baby left it  
    And I, I apologize for makin' you cry  
Look me in my eye, and promise you won't do me the same  
    Girl, I really wanna work this out 'cause I'm tired of  
    fightin'  
    And I really hope you still want me the way I want you  
    I said I really wanna work this out  
    Damn, girl, I'm tryin'  
    It's no excuse, no excuse  
    But I got this[Chorus: x2]  
I don't wanna be stuck up in this cold, cold world

Don't wanna mess this up, better keep your eye on me girl  
Don't wanna mess this up, better keep your eye on me girl  
Don't wanna mess this up, better keep your eye on me girl

I don't wanna be stuck up in this cold, cold world  
Don't wanna mess this up, better keep your eye on me girl  
Don't wanna mess this up, better keep your eye on me girl

Don't wanna mess this up, better keep your eye on me girl  
Girl, I really wanna work this out 'cause I'm tired of  
fightin'

And I really hope you still want me the way I want you

I said I really wanna work this out

Damn, girl, I'm tryin'

It's no excuse, no excuse

But I got this[Chorus: x2]Girl, I really wanna work this out 'cause I'm tired of fightin'
