## My Niggas

## **DMX**

Just 'cause I love my niggas (Ruff Ryders) I shed blood for my niggas (Ryde or die) Let a nigga holla, "Where my niggas?" (Get down or lay down) All I wanna hear is, "Right here my nigga" (We here nigga) You won't take this from me baby You will not take this from me baby You knowMy niggas, some niggas that you don't wanna try My niggas, some niggas that's really do or die My niggas will have you cowards ready to cry My niggas will fry, my niggas will robMy niggas keep niggas on they fuckin' job My niggas know what it's like when shit gettin' hard My niggas stay pullin' you other niggas cards My niggas it's God, my niggas we'll shineMy niggas, just knew it was a matter of time My niggas, let me know to keep fuckin' with the rhymes My niggas ain't no longer livin' with crime My niggas is fine, my niggas is goodMy niggas keep you niggas knocking on wood My niggas know how to take it back to the hood My niggas will put you down right where you stood My niggas they could, my niggas they willMy niggas take you straight to the back & get ill My niggas give it straight to the bank when we kill My niggas put niggas on ice till they chill My niggas is still, my niggas is dogs, my niggas
