

# jennifer

Tim Beam

She's so beautiful, she is super nice  
Everybody say she's special  
She is wonderful, unbelievable, sweet  
I guess she is perfect  
Stop saying she's just a friend  
Keep hearing her name again, name again  
I really have to say she's always in my way  
I can't believe how much you love her  
How can I make you see?  
It's either her or me, I will never be like Jennifer  
She's a fragile girl, skin like porcelain  
Shame on you, if you would hurt her  
She's adorable, oh, so vulnerable  
I wish that somebody would drop her  
Stop saying she's just a friend  
Keep hearing her name again, name again  
I really have to say, she's always in my way  
I can't believe how much you love her  
How can I make you see?  
It's either her or me, I will never be like Jennifer  
Stop saying she's just a friend  
Keep hearing her name again, name again  
I really have to say, she's always in my way  
I can't believe how much you love her  
How can I make you see?  
It's either her or me, I will never be like Jennifer  
I really have to say, she's always in my way  
I can't believe how much you love her  
How can I make you see?  
It's either her or me, I will never be like Jennifer
