Neighborhood Watch

Mike Krol

You better watch your back (That's ok)
Cause I'm coming for you
(That's right)Why'd you steal my bike man?
I used to ride it everyday
Just to prove that you can
Why do people think that way?If I see you want, I'm gonna take you to the ground
And make you say my name
I don't have a badge, but I have a brainNow I've got a new plan to make sure that you pay
And when we meet again (Uh huh)
You can go, you can go and try to hide
But I have eyes
You can run, you can run, you're all mine
Cause I've got you in my sight
Now you've been warned
Now you've been warned
They're not fooling around
There's a neighborhood watch going down
