

Polish Girl

Neon Indian

It's been at least another year
And still I haven't got the chance to say
Always rolling off the tongue
Never said but nearly sung about a million ways
Every photograph and story
Trickled through the lengthy web of friends
I overthought but understood
Distant look but looking good
And not the other way
But you fail to remember
But you fail to remember
Do I still cross your mind?
Your face still distorts the time.
With heat struck afternoons long through
Those idle dreams go back to you
The echo seems somewhat displaced
Every form that's on her face, I'm drifting off to
Motive flirtation
The rest was made of constellations that I saw
Was this only in my head?
Just like most things go misread when overthought
But you, you fail to remember, but you, you fail to remember
Do I still cross your mind? Your face still distorts the time
Do I still cross your mind? Your face still distorts the time
Do I still cross your mind? Your face still distorts the time
