

# After the Storm

## Mumford & Sons

And after the storm,  
I run and run as the rains come  
And I look up, I look up,  
On my knees and out of luck,  
I look up. Night has always pushed up day  
You must know life to see decay  
But I won't rot, I won't rot  
Not this mind and not this heart,  
I won't rot. And I took you by the hand  
And we stood tall,  
And remembered our own land,  
What we lived for. But there will come a time, you'll see, with no more tears.  
And love will not break your heart, but dismiss your fears.  
Get over your hill and see what you find there,  
With grace in your heart and flowers in your hair. And now I cling to what I knew  
I saw exactly what was true  
But oh no more.  
That's why I hold,  
That's why I hold with all I have.  
That's why I hold. I won't die alone and be left there.  
Well I guess I'll just go home,  
Oh God knows where.  
Because death is just so full and man so small.  
Well I'm scared of what's behind and what's before. And there will come a time, you'll see, with no more tears.  
And love will not break your heart, but dismiss your fears.  
Get over your hill and see what you find there,  
With grace in your heart and flowers in your hair. And there will come a time, you'll see, with no more tears.  
And love will not break your heart, but dismiss your fears.  
Get over your hill and see what you find there,  
With grace in your heart and flowers in your hair.
