Take It

Genitorturers

Tell me, tell me, tell me, it's not over
Tell me, tell me, tell me, I'm not afraid
Tell me cause your skin is turnin' inside out
Tell me, tell me, tell me, it's not the sameTell me!Tell me, tell me, tell me, your condition
Tell me were you losing from the start
Did I allude you, did I use you?
Been kicked until your heart beats black and blue, blue, blue!Well, I tried, to wait
You suffered while I hesitate
Yes, I, you know
Before you leave me
Tell me!Tell me!
Now!Do you still love me?
Love me, yeah
Tell me!
Tell me!
Now!
Do you still love me?
Want me, gotta know right now!Yeah!
Gotta know right now!Tell me, cause I know you've all been waiting
Tell me that your sacrifice is true
You're livin' hard, you're feelin' scarred
You're suffocating
But deep inside, your heart beats black and blue, blue, blue!Well, I tried, to wait
You suffered while I hesitate
Yes, I, you know
Before you leave meBecause, I wait all day
Save your sacrificial games for later
Before you leave me
Tell me!Tell me, now!Do you still love me?
Love me, yeah!
Tell me!
Tell me, now!
Do you still love me?
Want me, yeah!Tell me!
Tell me, right now!
Do you still love me?
Love me, yeah!
Tell me!Tell me right now!
Do you still love me?

You want me?
Gotta know right nowBecause, I waited
Got you waitin'
Got you waitin'
For you to see right now!
