No Surrender

Judas Priest

You know that life isn't set
I lead the pack I ain't no pretender
You give as good as you get
We live and die cause there's no surrenderChasing a dream as I go higher
Playing it mean, my heart's on fire
Living my life, ain't no pretender
Ready to fight with no surrenderYou know the way that I feel
If you're with me you better hold on tighter
I'm only keeping it real
That's who I am, I'm just a non-stop fighter
Chasing a dream as I go higher
Playing it mean, my heart's on fire
Living my life, ain't no pretender
Ready to fight with no surrenderRun out of road
The end of the days
Not for the weak
Only the braveChasing a dream as I go higher
Playing it mean, my heart's on fire
Living my life, ain't no pretender
Ready to fight with no surrender
I'm chasing a dream as I go higher
I'm playing it mean, my heart's on fire
I'm living my life, ain't no pretender
Ready to fight with no surrender
