What Have I Done?

Altmodisch

Oh my love, what have I done?
Oh my love, what have I done?
I shot an arrow at your heart that I can?t take back
When I said you were my first love, but you are not my last
For far too long I hid my face
I fed off your forgiving grace
Well I know your pride, it must have took a beating
When I used your love to rob your freedom
What have I done?
Oh what have I done, what have I done?
There?s a hurt in me that I don?t understand
What have I done, oh what have I done?
I broke the sweetest heart of the only man that?s ever loved me
I don?t know what I?ve become
I need to get back to where I?m from
I?m gonna smash every mirror in this empty house
?Cause like you I don?t wanna see myself

What have I done?
Oh what have I done, what have I done?
There?s a hurt in me that I don?t understand
What have I done, what have I done?
I broke the sweetest heart of the only man that?s ever loved me
I hope you find someone new
Someone who?s worthy of you
Oh when you look back and I know you will
I hope you find a little good in me still
?Cause I loved you enough to let you go
I?ll always regret it, I hope you know, what I have done
Oh what have I done, what have I done?
There?s a hurt in me that I?ll never understand
What have I done, oh what have I done?
I broke the sweetest heart of the only man that?s ever loved me
Oh my love, what have I done?
Oh my love, what have I done?
