

It Happens Everytime

Dream Street

Can you hear the music playing?
Can you feel the rhythm swaying?
This is the sound of dreams come true
And I can promise you that
You are the one and only
And I'm the lost and lonely
We are the perfect dream come true
And I can promise you that
I hear a silly love song in my heart
It happens every time when I see you
It happens every time when I think of you
It happens every time
Oh it's magic when we meet
Baby down on Dream Street
Let me take you by the hand and
Walk you down the Milky Way 'cause
You make me feel I'm so alive
Though I promise baby I
Hear a silly love song in my heart
It happens every time when I see you
It happens every time when I think of you
It happens every time
Oh it's magic when we meet
Baby down on Dream Street
It happens every time, baby
It happens everytime
Oh it's magic when we meet
Down on Dream Street
When I close my eyes
There are angels all around
Singing a love song
You know it happens every time...
When I ****see**** you
Oh it happens every time
Ooh-ooh-ooh...oh-oh-oh
It happens every time when I see you
It happens every time when I think of you
It happens every time
Oh it's magic when we meet

Baby down on Dream Street
It happens every time...(Baby, oh oh)
It happens every time
Oh it's magic when we meet
Down on Dream Street
