

Thinking Of You

Christian Kane

Well I know they say all goods things
Must come to some kinda of ending
We were so damn good, I guess we never stood a chance
Gonna find what you've been missin'
When that highways tried a listenin'
You'll see I'm not that easy to forget When a new moon shines through your window
Or you hear a sad song on the radio
Then you don't know why you but just start to cry
Or your driving round on a sunny day
And outta nowhere comes the pouring rain
Then a memory hits you right out of the blue
That's just me
Thinking of you I'm not gonna try to stop you
Don't mean that I don't want too
If I know you, you've already made up your mind
To go on and go with your re-believing
But a million miles between us
But you still feel me like I'm right there at your side When a new moon shines through your window
Or you hear a sad song on the radio
Then you don't know why but you just start to cry
Or your driving round on a sunny day
And outta nowhere comes the pouring rain
Then a memory hits you right out of the blue
That's just me
Thinking of you And I'm thinkin' about the road your on
I'm thinkin' about you coming home
I'm wondering if you got your radio on When you find your way to another town
An someone tries to lay it down
And feelin' hits you right out of the blue
Its just me
Thinking of you
That's just me
Thinking of you.
