

# Asleep At the Wheel

## Nowhere Man and a Whiskey Girl

Close my eyes I wanna be  
In the trees and feel the  
Breeze I was never meant to  
Be born in this time I'm  
Buildin' pyramids in  
my mind, I never shoulda  
Played with plastic toys my  
Daddy shoulda been a  
Rhinestone Cowboy I  
shouldn't have to live on  
streets, I invented electricity  
I'm obsolete, see I'm  
Ridin' horses with the  
Natives in a time there  
Were no cars, I  
Fill my horse up at the trough  
Outside the bar  
Slammin' straight whiskey  
I knew I couldn't go far  
Cuz I woke up  
stuck in traffic in my car  
In my car
